EXPERIENCE

Administrative and Product Management Assistant | BC LTD

OCTOBER 2018 - MARCH 2020, VICTORIA, BC

- Increased Search Engine Optimization Scores, maintained woo-commerce site, managed inventory and implemented better strategies and practices for increased productivity.
- Worked closely with and helped to manage a small team of individuals. Through interpersonal skills, conscientious communication, and teamwork we significantly increased production output while maintaining a harmonious work environment.
- Gained invaluable business insights and skills, having had the opportunity to assist in all aspects of operations including: customer support and satisfaction, technical support, inventory management and product management as well as clerical and administrative tasks.

Food and Beverage Server | Fifth St Bar and Grill

JANUARY 2018-OCTOBER 2018, VICTORIA, BC

- Teamwork, organizational skills, multitasking and working well under-pressure helped me to maintain a high quality level of service with optimum focus on guest satisfaction.

Food and Beverage Server | True Food Kitchen

2016-2017, SANTA MONICA, CA

- Maintained quality guest service in a popular and well known Santa Monica restaurant.
- Extensive product knowledge of food and wine list was required to maintain the True Food standards, as well as maintaining a focus on the business model and brand during guest interactions.

EDUCATION

BrainStation | Diploma, Web Development
